NARRATIVE

Sir,
On 11/28/08 while assigned as the zone 3 Lieutenant for the 3-11 shift an incident occurred that resulted in the removal of Fed Inmate Earl Hart #50377 for assault. and Fed Inmate William Colson #47902 pending reclass.

At 2017 hrs. Officer Nolan called to inform me that an assault had occurred in room 304 on Inmate Colson. Officer Nolan informed me that Inmate Colson came running out of room 304 and at that time he noticed Inmate Hart exit room 304 and another small white guy that he could not identify. I called ADS Pampalone and informed him of the situation. Central Control order the unit to step in which they all complied.

Upon arriving in the unit I spoke with inmate colson he stated that he was in his room when he was approached by Inmate hart and a altercation ensued. Inmate Colson went on to state that he pushed by Inmate Hart and saw another smaller white guy in the room that he could not identify. Inmate Colson refused any medical treatment, packed his own property, was handcuffed by Officer Fitzpatrick and escorted to unit G pending reclass at 2028hrs.

At 2035 hrs. while the unit remained locked down I went to review the tape. From 2000 hrs. to 2020 hrs. nothing unusual was noticed. At 2055 hrs. I Lt. Sampson along with Officers Fitzpatrick and L. Murphy entered H-3 and removed Inmate Hart. Inmate Hart packed his own property, was handcuffed by Officer Fitzpatrick and escorted to unit G without incident. Upon speaking with Inmate Hart he stated that he was walking by the room and somebody came running out and it startled him he denied any involvement in assaulting Inmate Colson or that any other Inmate was there. Keep aways were placed on both Inmates for future safety in this facility.

At 2105 hrs. I spoke with Officers Nolan and Chippis assigned to H-3 and asked them to conduct a round of the unit to try to identify any person of interest. The unit was to be opened at the conclusion of the round. This will be a ongoing investigation to try to find the other Inmate

NARRATIVE

On Tuesday, December 9, 2008 at approximately 0940 hours an incident occurred. As a result of this incident this Informational Report is being issued on Federal Trial inmate Earl Hart # 50377 and ICE inmate Miguel Feliz-Matos# 50382.

On the above date and time while assigned as the unit G Lieutenant I was advised by G Control East Officer Stephen Nicholson that a possible incident was occurring in unit GNE. The officer reported that Hart was putting his sneakers on and that Feliz-Matos was yelling at him. As myself and Floor Officers Kelsch, Sweeney and C.E.R.T. Officer Ellis were entering the unit the two inmates squared off and began throwing punches in the dayroom in the area of cell GNE# 116/117. I stepped between the two swinging inmates while giving them orders to stop their actions. I took hold of inmate Hart in a bear hug hold lifting and pushing him towards the dayroom tables, eventually placing the inmate on same before rolling him over to be handcuffed. Once both inmates were separated and controlled handcuffs were applied to both. Feliz-Matos was escorted out of the unit to G Floor by Officer Sweeney and Kelsch while Hart was escorted back to his cell GNE# 212. Once there I instructed the inmate to sit on his bunk. He was asked if he needed to see Medical to which he refused. The inmate was released from his restraints again asking if he required medical attention. Again Hart refused. Myself and Officer Ellis secured the inmate in his cell and exited the unit.

At approximately 0943 hours I entered the Attorney Visit room to speak with Feliz-Matos. The inmate was yelling at me, " I aint eating anymore, I don't care if I die, you people can kill me." I asked the inmate to calm down and speak to me not scream. He stated, " put me back in my cell 209 or I will hurt myself. I will not go anywhere else but my cell." At this time the inmate was brought to G Floor where leg irons were applied. The inmate was then escorted to the Booking Department and placed into cell # R114 on a Mental Health Watch. He will remain on this watch until seen and cleared by a Mental Health professional.

At the conclusion of the incident, myself and floor Officer Kelsch reported to the Medical Department to be evaluated by the Facility doctor. Officer Kelsch reported hurting his left

Report Subject: Code 1 Fight

Statement of Offense:

Sir/Ma'am,

On March 1, 2009 at approximately 19:45 in unit FS3, a Code 1 fight was called involving inmates Robert Bremer #15416 and Earl Hart #50377.
After I announced cell call at 19:45 hours, I began to write in the unit log book when I heard a commotion in the middle of the dayroom. As I turned my head to see what was happening, I noticed Inmates Bremer #15416 and Hart #50377 exchanging punches. I immediately called a Code 1 fight via the radio and ordered the rest of the unit to step in. I subsequently ordered both inmates to stop fighting, which they did not. As both inmates went to the ground, I noticed that inmate Hart #50377 was on top of inmate Bremer #15416 and Bremer seemed as though he could not defend himself any longer. Due to the circumstances I began to intervene by reaching in to separate the two inmates, as Lt. Seaman along with C.E.R.T officers O'Neil, Farrell, and Menton handcuffed both Bremer and Hart and escorted them to Pod G without further incident.

Statement of Offense:

While assigned to H3 on Friday, Sept. 18, 2009, there was a fight between inmates Earl F. Hart # 50377 (Fed. inmate) and Michael J. Reed #28866 (Ply. Cty.). At approximately 1515 I noticed inmate Reed enter his cell holding his t-shirt to the left side of his face, shielding my view. I then noticed quite a few inmates looking toward his cell (H304) and toward me at the officer's station. I then made my way to inmate Reed's cell to check on his well being. When I saw inmate Reed he still had his shirt to his face. I told him to remove the shirt, when he did I saw several red marks, bruises, and a badly cut and swollen left eye. Inmate Reed stated that it happened on the rec. deck during handball. I then told the inmate to pack his property and locked his cell. I then notified Lt. Anderson and proceeded to lock the unit down. Lt. Anderson and CERT Officers Hartigan, Kelly, and Facchini entered the unit and removed the inmate. I then conducted a round of the unit. As I passed cell 409, I noticed the room was a mess and inmate Hart was standing up but turned toward the back of the cell. I knocked on the door to get inmate Hart's attention, and as he turned towards me I noticed he also had marks on his face cosistent with being in a fight. I then called Lt. Anderson, and he entered the unit with CERT again and removed inmate Hart at 1530.
